Overview

Welcome to the Department of Physical Therapy and Rehabilitation Science.

Our mission is to provide evidence-based, patient-centered physical therapy services for the community, and to educate scholarly, socially sensitive clinicians, educators, and researchers in physical therapy and rehabilitation science who will lead the profession into the next century. Our department is dedicated to advancing physical therapy through three aims:

EDUCATION

One of the top ranked public programs in the nation, the Doctor of Physical Therapy, PhD in Rehabilitation Science, and Physical Therapy Orthopedic Residency programs prepare leaders in clinical practice, education, and research. [Learn more](#) [1].

RESEARCH

Basic science, clinical, and translational research in the Movement Science Learning Center, and the NeuroRecovery Research. [Learn more](#) [2].
