Dr. Le Page Awarded the Christine Mirzayan Science and Technology Policy Fellowship

Jan 14, 2020

Dr. Lydia Le Page has been awarded a Christine Mirzayan Science and Technology Policy Fellowship ^[1] by the National Academies. She will be spending 3 months in Washington DC as part of the Healthy Longevity Global Roadmap ^[2] team, at the National Academy of Medicine. The team is constructing a comprehensive report assessing the challenges presented by population aging, and will provide evidence-based recommendations for global societal change to address these challenges.

Congratulations Dr. Le Page!
