How to Make a Referral

Patients may access adult and pediatric therapy services by referral from another health provider (usually a physician).

If you are a UCSF physician, please submit your patient's referral through the APEX referral system.

If you are a non-UCSF physician, you may fax your patient's referral to:

- Physical Therapy Outpatient Practice (adult services) at (415) 353-9554
- Outpatient Pediatric Rehabilitation Center (pediatric services) at (415) 353-4974
