

UCSF/SFSU DPT Spring Symposium: 2022 Zoom Link(s)

Schedule:

8:15 a.m. - 10:00 a.m. Saturday, February 26, 2022: We invite all participants to join the Keynote Speakers in a synchronous (real-time) presentation with time for questions and answers.

10:00 a.m. – 3:00 p.m. Saturday, February 26, 2022: There will be four separate zoom links for each topic (Orthopedic, Neurology & Geriatric, Pediatrics & Oncology, and Pelvic Health & Education). Registrants will be given time to watch a pre-recorded Presentation by the DPT students followed by a **live** Q&A session. Participants may choose the pre-recorded presentations they wish to view. Each presentation is about 20 minutes long. Presenters will be available for 7-minute Q&A sessions only on Saturday, Feb. 26, according to the topic and timeslot schedule (Please see the attached PDF titled Spring Symposium Student Presentation Schedule 2022).

For greater flexibility, all pre-recorded student presentations will be posted and available on Friday, February 25, 2022, at separate URLs for all registrants to view. Presentations will remain available for 1 week after the Symposium.

Example of Synchronous viewing and Q&A on Feb 26: If Maria Do's presentation is scheduled for the 10 a.m. timeslot in the Neurology & Geriatric topics, participants may watch her presentation (at a separate URL posted on the schedule), and then, at 10:20, find Maria at the Zoom link for Neurology & Geriatric topics to answer questions live about her presentation. In the 10:30 timeslot, participants may select the presentation scheduled for that timeslot in the Pediatric & Oncology topics, and, at 10:50, find the Q&A session with presenters for that timeslot at the Zoom link for Pediatric & Oncology topics. The timing for Q&A sessions will follow the same pattern for each timeslot throughout the day. A one-hour break is planned for 12-1.
